

17 August 1948

STAT

Unfortunately, at this time, we still have no openings for a person with your qualifications. As you understand, because of the nature of our work, we do not have many openings for fiscal officers. However, I was very glad to contact the Navy Department personnel office, and I am sure that you will hear from them shortly.

With best wishes, believe me,

Sincerely,

R. H. MULLENBETTER
Rear Admiral, USN
Director of Central Intelligence
